- Explanation and output screenshots

Step 1 – Personal & Guardian Details (step1.html)

Purpose
Collect student personal information and guardian details.

1. **Page Layout**
   - Uses a centered card with rounded corners and shadow.
   - Background is soft purple (#eae4f2).
2. **Form Fields**
   - Personal: First, Middle, Last Name, Phone, Email, DOB, Gender
   - Guardian: Name, Relation, Phone, Email
   - Gender and Relation use dropdowns.
3. **Navigation**
   - Only Next button that links to step2.html.
4. **Design Features**
   - Input focus highlights with purple border.
   - Rounded inputs and button for modern look.

Step 2 – Address Details (step2.html)

Purpose
Collect permanent and temporary addresses.

1. **Page Layout**
   - Same card design and background as Step 1.
   - Sections for Permanent and Temporary Address.
2. **Form Fields**
   - Address Line, City, Pin Code, State, Country for both addresses.
3. **Navigation**
   - Previous button → goes to Step 1
   - Next button → goes to Step 3
4. **Design Features**
   - Inputs maintain same style as Step 1
   - Buttons styled with hover effects

Step 3 – Education Details (step3.html)

Purpose
Collect academic background.

1. **Page Layout**
    - Same card layout
    - Sections for SSC, HSC, and Graduation.
2. **Form Fields**
    - SSC & HSC: School/College Name, Passing Year, Percentage
    - Graduation: College Name, Degree, Passing Year, CGPA/Percentage
3. **Navigation**
    - Previous → Step 2
    - Next → Step 4
4. **Design Features**
    - Clean separation of education levels with headings
    - Inputs consistent with earlier steps

Step 4 – Course Details (step4.html)

Purpose
Allow the student to choose a course and its duration.

1. **Page Layout**
    - Same card layout
    - **Single section for course selection.**
2. **Form Fields**
    - Dropdowns for Course Name (Web Dev, Full Stack, Python, Java, Data Science)
    - Dropdown for Course Duration (2, 3, 6 months)
3. **Navigation**
    - Previous → Step 3
    - Next → Preview Page
4. **Design Features**
    - Dropdown menus ensure consistent input
    - Buttons match previous steps

Step 5 – Preview Page (preview.html)

Purpose
Allow student to review all entered details before submission.

1. **Page Layout**
    - Same card layout for consistency
    - Separate sections for Personal, Guardian, Address, Education, and Course details

2. **Navigation**
    - Previous → Step 4
    - Submit → Final submission (no backend connected yet)
3. **Design Features**
    - Each section has light background and border for easy reading
    - Buttons consistent with previous steps
